To whom it may concern:

Thank you for writing is recently about our pac's reports. I am writing you today in regards to your letters to Americans for the next generation. we appreciate you reaching out. Unfortunately throughout the last year I have undergone several major health issues which have prevented me from engaging in any activity at all with my pac.

In regards to your questions and concerns about quarterly and year-end reports, we have spent and raised zero dollars as of this date. All reports will be filed timely in the future as I continue to regain my health. As outlined in your first April letter, we would like to respond to your concerns about affiliated organizations or PACs. We currently have no affiliated organizations or PACs.

Finally, in your first April letter you requested a depository account be set up and that information filed. An account is currently being set up and we will amend as soon as possible.

Please contact us at anytime through the information enclosed in this letter. Again, we appreciate you reaching out and hope to resolve this as soon as possible.

Sincerely,

A handwritten signature in cursive script that reads "N. Swanson-Polston".
